Product Description

EZUse™ thermal laminating pouches are super fast and super easy. Three EZUse™ features simplify the lamination process to deliver perfect, high quality lamination results every time. Speed format pouches are sealed along the long edge to help the pouch run through the machine faster. EZUse™ delivers durable, crystal clear laminate protection for all your important documents.

Features

- Thermal lamination pouch includes visible EZUse™ features that magically disappear after lamination
- Alignment guides make centering documents easy
- Mil icons clearly identify pouch thickness to help you select best laminator settings
- Directional arrows indicate which edge of pouch should be loaded into laminator first
- UV protection prevents fading and discoloration over time
- 5 mil
- Letter size speed pouch is sealed on the long side enabling it to run through the laminating machine more quickly
- 100 pouches per box
